OVERVIEW

The 5-LC1818-6 is a corner-mount LED channel profile measuring 18mm x 18mm in cross-section with a length of 6.5 feet (98 inches). Designed for both residential and commercial installations, it provides a clean, low-profile housing solution for LED strip runs along 90-degree interior corners, blending into surrounding surfaces for a finished appearance.

The profile features a 12mm inner width, accommodating standard LED strip tape within that dimension. Construction is intended for durability, and the design supports straightforward installation without specialized tooling.
