

Wall Mount Clip for LED Linear Fixtures, Corner Mounting Accessory

- Wall mount clip for LED linear fixtures and similar components
- Compact, low-profile design for clean finished appearance
- Constructed from high-quality materials for a sturdy hold
- Efficient holding mechanism maximizes usable wall space
- Backed by a 1 year warranty
- Compatible with LED fixtures rated for 50,000 hour lifetime

OVERVIEW

The 5-LC30-Clip is a wall mount clip designed for securing LED linear fixtures and similar components to wall surfaces in commercial and industrial installations. Its compact, low-profile form factor allows for straightforward installation while keeping a clean appearance in finished spaces.

Constructed from high-quality materials, the clip provides a sturdy, reliable hold and is suited for a range of mounting applications. Its efficient holding mechanism supports secure fixture retention while maximizing usable wall space.

The clip is backed by a 1 year warranty and is intended for use with LED fixtures rated for 50,000 hours of service life.
