

Opal Frosted Cover for LED Linear Fixtures, 1 - Year Warranty

- Opalescent finish provides soft, diffused light distribution
- Reduces direct glare while maintaining consistent illumination
- Compatible with a range of existing LED linear fixtures
- Rated for use with LEDs having a 50,000 -hour lifetime
- Backed by a 1 -year warranty

OVERVIEW

The 5-LDC1515-CV opal frosted cover is a diffusion accessory designed for LED linear fixtures in commercial, residential, and hospitality applications. Its opalescent finish softens and distributes light output, reducing direct glare while maintaining consistent illumination across the fixture length.

The cover is compatible with a range of light fixtures and is constructed for durability, offering superior light distribution and an aesthetically neutral profile that integrates into existing installations without modification to the host fixture.

Backed by a 1 -year warranty and rated for use with LED sources having a 50,000 -hour lifetime.
