

Aluminum Recessed Baseboard Profile Cover, White Finish, LED Strip Lighting

- Constructed from aluminum for a recessed baseboard profile
- Finished in white for a clean, uniform appearance
- Measures 304 × 9 × 12 cm for baseboard-level installation
- Conceals LED strip and wiring within the profile cover

OVERVIEW

The 5-LDF120-19-CV is an aluminum recessed baseboard profile cover designed for use with LED strip lighting installations. It provides a clean, finished appearance when mounting LED strips in recessed baseboard applications, concealing the strip and associated wiring while directing light output along floor-level surfaces.
