

Mounting Clips for 5-LDW2676 LED Strip Light Fixture, 1-Year Warranty

- Quick-release mechanism for fast attachment and removal
- Ergonomic handle design for ease of handling during installation
- Compatible with the 5-LDW2676 LED strip light fixture
- Supports LED strip assemblies rated for 50,000 hour LED lifetime
- Backed by a 1-year manufacturer warranty

OVERVIEW

The 5-LDU7626A-Clip is a mounting clip engineered for use with the 5-LDW2676 LED strip light fixture, providing a secure attachment point during installation of the recessed lighting profile. Its design accommodates the fixture and its compatible accessories for straightforward field assembly.

The clip features a quick-release mechanism and an ergonomic handle for ease of use during mounting and removal. It is intended for use with LED strip assemblies rated for a 50,000 hour LED lifetime and is backed by a 1-year warranty.
