

## Opal Frosted Cover for LED Linear Fixtures, 50,000 h Rated

- Opal frosted finish diffuses light for uniform illumination
- Reduces glare and eliminates harsh shadows across fixture length
- Rated for 50,000 hours of LED lifetime service
- Backed by a 1-year warranty
- Designed for straightforward installation and low-maintenance service

### OVERVIEW

The 5-LDW1213-CV is an opal frosted cover designed for LED linear fixtures, providing light diffusion across commercial, office, and residential applications. The frosted opal finish distributes light evenly across the fixture aperture, reducing glare and eliminating harsh shadows while maintaining a clean, finished appearance.

The cover is rated for 50,000 hours of LED lifetime service and is designed for straightforward installation and low-maintenance service, making it a practical component for retrofit or new-construction linear lighting assemblies.

The cover is backed by a 1-year warranty.
