

Drywall Flex Series Silicone Cover for LDW1513FLEX, IP00, Sold by Meter

- Silicone cover sized for the 5-LDW1513FLEX drywall flex strip
- Sold by the meter with a 2-meter minimum order quantity
- Supplied in 2000mm length increments per unit
- Rated IP00 for non-waterproof, dry interior use
- Backed by a 1-year warranty

OVERVIEW

The LDW Drywall Flex Series Silicone Cover is a replacement or accessory cover designed for use with the 5-LDW1513FLEX flexible LED strip. It is sold by the meter with a minimum order quantity of 2 meters, making it suitable for specifying exact run lengths in drywall cove, reveal, and architectural trim applications.

The cover carries an IP00 rating and is classified as non-waterproof, indicating use in dry, protected interior locations rather than damp or exterior conditions. Standard length increments are supplied at 2000mm per unit.

The cover is backed by a 1-year warranty.
