

End Caps for LED Strip Channel, 5-Piece Set, 1-Year Warranty

- Set includes 5 end cap pieces for channel termination
- Backed by a 1-year manufacturer warranty
- Compatible with LED strips rated for 50,000 hour lifetime
- Polished finish protects channel edges from damage
- Suitable for furniture, handrail, and tubing profile applications

OVERVIEW

The 5-LF2211A-Cap is a set of end caps designed to provide a clean, finished termination for LED strip channels and similar profiles. The set includes 5 pieces, making it suitable for capping multiple channel runs. Typical applications include furniture, handrails, and tubing installations where a secure, professional edge finish is required. Rated for compatibility with LED strip systems carrying a 50,000-hour lifetime, the caps are backed by a 1-year warranty.
