

Opal Frosted Cover for LED Linear
Fixtures, 50,000 h Rated, 1 - Year
Warranty

- Opal frosted finish diffuses light for glare-free illumination
- Rated for 50,000 hours of LED lifetime
- Backed by a 1-year manufacturer warranty
- Suitable for offices, retail spaces, and commercial environments

OVERVIEW

The Opal Frosted Cover is a diffuser cover designed for LED linear fixtures, suitable for use in offices, retail spaces, and commercial environments. Its frosted finish diffuses light evenly, reducing glare and producing soft, uniform illumination across the coverage area.

The cover is constructed for durability and provides a clean, finished appearance to linear lighting installations, supporting an LED lifetime of 50,000 hours.

The product is backed by a 1-year warranty.
