

End Caps for LED Strip Light Fixtures, 2-Piece Set

- Sold as a 2-piece set for a matched pair of fixture ends
- Precisely manufactured for a consistent, reliable fit
- Closes and protects open ends of tube or pipe profiles
- Suitable for both commercial and industrial installations
- Backed by a 1-year warranty

OVERVIEW

These end caps are designed to close and finish the open ends of LED strip light fixture tubes or pipes, providing both protection and a clean aesthetic appearance. Sold as a 2-piece set, each pair is precisely manufactured to ensure a consistent fit and reliable performance across compatible profiles.

They are suitable for commercial and industrial installations as well as DIY applications, backed by a 1-year warranty.
