

Floor Insert LED Light Bar, 57mm x 10mm Profile, 6.6 ft / 79 in Length

- Low-profile 57mm width by 10mm height flooring channel
- Overall length of 6.6 ft (79 in) for extended linear runs
- Rated LED lifetime of 50,000 hours
- Backed by a 1-year manufacturer warranty
- Designed for flush integration with finished flooring surfaces

OVERVIEW

The 5-LF5710 Floor Insert is a low-profile linear lighting channel designed to integrate flush with finished flooring surfaces. At 57mm wide and 10mm tall, the slim profile minimizes trip hazards and visual disruption while providing consistent linear illumination across a run of 6.6 ft (79 in). Typical applications include aisle marking, architectural accent lighting, and wayfinding in commercial and hospitality environments.

Constructed for durability, the unit is built to withstand the demands of floor-level installation and is rated for an LED lifetime of 50,000 hours. The design supports straightforward installation, reducing labor time on the job site.

The product carries a 1-year warranty.

SPECIFICATIONS
