- Channel dimensions: 76mm width x 50mm height
- Overall length of 79 inches (6.6 feet)
- Rated LED lifetime of 50,000 hours
- 1-year warranty coverage
- Constructed from high-quality materials for durability

OVERVIEW

The 5-LS7650 Stair Mount is an LED channel accessory designed for staircase installations, providing structural support and a clean mounting solution for LED strip runs along stair profiles. At 76mm wide, 50mm tall, and 79 inches (6.6 ft) in length, it is sized to accommodate most standard staircase configurations in both residential and commercial settings.

Constructed from high-quality materials, the channel is built for long-lasting performance, rated for a 50,000-hour LED lifetime, and integrates with stair architecture without visual disruption, supporting a finished appearance across a range of design styles.

The Stair Mount is backed by a 1-year warranty.
