

Opal Frosted LED Strip Cover, 9.84 ft / 118.11 in (3m) Length

- Opal frosted finish diffuses light for uniform appearance
- Supplied in 3 m (118.11 in) length for extended channel runs
- Compatible with LED sources rated up to 50,000 hours lifetime
- Backed by a 1-year warranty

OVERVIEW

The 5-LW1010-CV is an opal frosted cover designed for use with compatible LED strip channel profiles. The diffused finish distributes light evenly across the lens surface, reducing visible hotspots and providing a clean, uniform appearance suited for architectural, retail, and general commercial lighting installations.

The cover is supplied in a 3 m (9.84 ft / 118.11 in) length, allowing coverage of extended channel runs with fewer seams. It is rated for use with LED sources having a lifetime of up to 50,000 hours.

The cover carries a 1-year warranty.
