

## End Caps for LED Channel, 5 Pairs per Bag

- Sold in bags of 5 pairs, 10 individual caps total
- Designed to fit compatible LED channel profiles
- Closes off channel ends for a finished appearance
- Helps protect internal wiring and LED strip ends

### OVERVIEW

End caps designed for use with compatible LED channel profiles, sold in bags of 5 pairs (10 individual caps). These components provide a finished appearance at channel terminations and help protect internal wiring and LED strip ends from exposure.

### APPLICATIONS

- LED channel terminations
- Linear lighting installations
- Cabinet and shelf lighting trim
- Architectural cove lighting finishing
