

Mounting Clip for LW1208 Recessed LED Strip Light Profile, 10-Pack

- Packaged 10 clips per bag for LW1208 installations
- Secures LW1208 LED strip light within recessed profile channels
- Designed exclusively for compatibility with the 5-LW1208 system
- Backed by a 1-year warranty

OVERVIEW

The 5-LW1208-Clip is a mounting clip engineered specifically for the LW1208 LED strip light profile, used to secure the strip within recessed lighting installations across commercial and industrial settings. Each bag contains 10 clips, providing enough hardware for a standard installation run. The clip is backed by a 1-year warranty.
