

Black End Caps for LED Channel Profiles, 5 Pairs per Bag

- Sold in bags of 5 pairs, 10 individual caps total
- Black finish matches black lighting profile channels
- Closes both ends of a channel run for a finished look
- Helps protect internal channel components from dust and debris

OVERVIEW

Black end caps designed for use with compatible LED channel profiles. These closures finish channel terminations and are sold in bags of 5 pairs, providing 10 individual caps per bag.

Each cap fits over the open end of a compatible aluminum channel to give a finished appearance while helping to keep dust and debris out of the internal cavity.
