

Wall Mount Clip for LED Strip Lights, 10-Piece Bag, 1-Year Warranty

- Sold in a 10-piece bag for multi-point strip runs
- Made from durable, high-quality materials
- Installs without leaving marks on the wall
- Seamless design blends with surrounding decor
- Backed by a 1-year warranty

OVERVIEW

The 5-LW1606-Clip is a wall mount clip designed to secure and organize LED strip lights along flat surfaces in commercial and residential installations. Sold in a 10-piece bag, it provides a clean, low-profile mounting solution for routing and retaining flexible LED strip runs.

Constructed from durable, high-quality materials, the clip installs without leaving marks on the wall and features a seamless design that integrates discreetly into the surrounding surface. It is suitable for organizing cables, towels, keys, hats, or LED strip runs in a variety of environments.

The clip is backed by a 1-year warranty.
