

Wall Mount Clip for LED Light Fixtures, 1 - Year Warranty

- Constructed from premium materials for durability and hold
- Accommodates various fixture sizes and weights
- Simple installation into existing wall surfaces
- Backed by a 1-year manufacturer warranty
- Compatible with LED fixtures rated for 50,000-hour service life

OVERVIEW

The Wall Mount Clip is a hardware accessory designed for securing LED light fixtures and similar items to wall surfaces. It is constructed from premium materials intended to provide durability and a reliable hold across a range of mounting applications common in commercial and industrial environments.

The clip features a straightforward installation process and is designed to accommodate various fixture sizes and weights while maintaining a secure grip. Its construction is suited for integration into existing installations without significant modification to the surrounding structure.

The clip is backed by a 1-year warranty and is rated for use with LED fixtures having a 50,000-hour lifetime.
