OVERVIEW

The Opal Frosted Cover (SKU: 5-LW1612-CV) is a replacement lens accessory designed to diffuse light output and update the appearance of compatible lighting fixtures. Its translucent, frosted finish softens direct light, reducing glare and producing a more uniform illumination suitable for both commercial and residential applications.

The frosted opal finish is compatible with a range of décor styles and fixture types, making it a practical option for property managers and contractors looking to refresh existing installations without full fixture replacement.

The cover is backed by a 1-year warranty and pairs with compatible fixtures rated for a 50,000-hour LED lifetime.
