

Opal Frosted LED Channel Cover, 98 In. (2.5 m) Length

- Opal frosted finish diffuses light for soft, even illumination
- Reduces glare and eliminates harsh shadows from LED fixtures
- Cover length of 98 in. (2.5 m) fits standard LED channel runs
- Durable construction supports long-term fixture use
- Backed by a 1-year manufacturer warranty
- Rated for use with LEDs having a 50,000-hour lifetime

OVERVIEW

The 5-LW1707A-CV is an opal frosted cover designed for use with LED channel lighting fixtures in both commercial and residential applications. The frosted finish diffuses light output to produce a soft, uniform ambiance while reducing glare and eliminating harsh shadows, improving the overall appearance of the fixture installation.

Constructed from durable materials, the cover is built for long-term use and is designed for straightforward installation and routine maintenance, backed by a 1-year warranty.
