

Black End Caps for LED Strip Channel, 5 Pairs per Bag

- Sold in bags of 5 pairs, 10 caps total
- Black finish for coordinated appearance with channel profile
- Caps both ends of compatible LED strip channel profiles
- Helps shield internal channel components from dust and contact

OVERVIEW

Black end caps designed for use with LED strip channel profiles, sold in bags of 5 pairs (10 caps total). These caps close off the open ends of compatible channel profiles to provide a finished appearance.

The caps help protect internal components of the channel from dust and incidental contact at the terminal ends of the installation.

SPECIFICATIONS
