

End Caps for LED Strip Channel, 5 Pairs per Bag

- Sold as 5 pairs per bag for multi-channel installations
- Smooth, glossy finish protects channel edges from damage
- Suitable for both indoor and outdoor use
- Tool-free, quick-fit installation process
- Backed by a 1-year warranty

OVERVIEW

These end caps are designed to close and finish the open ends of LED strip light channels, providing a clean, professional appearance on completed installations. Sold in sets, they are suitable for both indoor and outdoor applications.

Constructed from premium materials with a smooth, glossy finish, the caps protect channel edges from dust, debris, and physical damage while contributing to the overall aesthetics of the installation. The design allows for straightforward, tool-free fitting.
