

End Caps for LED Strip Channel, 5 Pairs per Bag

- Supplied 5 pairs per bag for multiple channel-end installations
- Designed to pair with LED strip channel rated for 50,000-hour LED lifetime
- Provides a finished cover for open channel ends
- Backed by a 1-year warranty

OVERVIEW

These end caps are designed to provide a clean, finished appearance on LED strip channel installations. Sold as a set of pairs, they are intended to cover and protect the open ends of compatible channel profiles, giving installations a professional look.

Each pair is crafted for a precise fit against channel edges, supporting long-term use alongside LED strips rated for 50,000 hours of service life.

Backed by a 1-year warranty.
