

Wall Mount Clip for LED Fixture Installation, 1-Year Warranty

- Secures LED fixtures and related components to wall surfaces
- Low-profile design suited to commercial and residential installations
- Quick attachment process requiring no specialized tools
- Compatible with LED fixtures rated for 50,000-hour LED lifetime
- Backed by a 1-year manufacturer warranty

OVERVIEW

The wall mount clip is a mounting accessory designed for securing LED fixtures and related components to wall surfaces in commercial and residential installations. Its construction provides a stable, low-profile hold suited to professional environments.

The clip is designed for straightforward installation, allowing contractors to mount it quickly to a variety of wall surfaces without specialized tools. It is rated for use with LED fixtures carrying a 50,000-hour LED lifetime rating.

The clip is backed by a 1-year warranty.
