

Square Opal Frosted LED Channel Cover, Black, 9.8 ft / 118 in (3m)

- Square opal frosted lens diffuses LED light evenly along channel
- Black finish matches the 5-LW2020-BK profile
- Length of 9.8 ft (118 in / 3m) per cover
- Designed exclusively as a companion to the 5-LW2020-BK extrusion

OVERVIEW

The 5-LW2020-CV-BK is a square opal frosted LED channel cover designed for use with the 5-LW2020-BK aluminum extrusion profile. The frosted diffuser lens softens and distributes light output evenly along the length of the channel, making it suitable for architectural accent lighting, cove lighting, and under-cabinet or display case applications. Each cover measures 9.8 ft (118 in / 3m) in length.

This cover is sold exclusively as a companion component to the 5-LW2020-BK profile and is not intended for standalone use.
