OVERVIEW

The 5-LW2020-CV is an opal frosted cover designed for use with the LW2020 LED strip profile. Its frosted finish diffuses light evenly, reducing glare and minimizing harsh shadows for a clean, uniform appearance suited to both commercial and residential installations.

Constructed from durable materials, the cover maintains a sleek profile while providing reliable light diffusion over the length of the channel. It is designed for straightforward installation on compatible LW2020 fixtures, pairing with LED sources rated up to 50,000 hours of service life.

The cover is backed by a 1-year warranty.
