

Opal Frosted Cover for LED Linear Fixtures, 50,000 h Rated

- Opal frosted finish diffuses light for soft, even illumination
- Rated for 50,000 hour LED lifetime
- Backed by 1 -year warranty
- Compatible with ceiling lights, chandeliers, wall sconces, and pendant lamps

OVERVIEW

The 5-LW2310A-CV is an opal frosted cover designed as a lighting accessory for LED linear fixtures. Its frosted finish diffuses light output, reducing glare and producing a soft, even illumination suited to both commercial and residential applications. The cover supports an LED lifetime rating of 50,000 hours and is backed by a 1-year warranty. Compatible fixture types include ceiling lights, chandeliers, wall sconces, and pendant lamps.
