

LED Strip End Caps, 5 Pairs per Bag, 1-Year Warranty

- Sold in bags of 5 pairs for multi-run installations
- Backed by a 1-year manufacturer warranty
- Constructed from premium, wear-resistant materials
- Secure-fit design helps prevent debris and dust intrusion
- Suited for LED strip channels rated to 50,000 h lifetime

OVERVIEW

These end caps terminate and protect LED strip channel runs, preventing dust ingress and providing a finished appearance at strip endpoints. Sold in sets of five pairs per bag, they are suited for commercial and residential LED strip installations where a clean, professional termination is required.

Constructed from premium materials, the end caps are built for durability and resistance to daily wear and tear. The design allows for straightforward installation, ensuring a secure fit that helps prevent debris intrusion at open channel ends.

Backed by a 1-year warranty for added assurance on installed projects.
