- Backed by a 1-year manufacturer warranty
- Rated to support LED components with a 50,000-hour service life
- Low-profile design minimizes visual impact on wall surfaces
- Secures LED fixtures firmly in place for stable mounting
- Suited for both commercial and office installation environments

OVERVIEW

The wall mount clip is a mounting accessory designed to securely attach LED fixtures and related components to wall surfaces. It is suited for both commercial and office installations where a clean, stable mount is required.

Constructed for durability, the clip provides reliable strength and stability to keep mounted items firmly in place, supporting components rated for a 50,000-hour LED lifetime. Its low-profile design minimizes visual impact on the surrounding installation.

The clip is backed by a 1-year warranty.
