

- ### Opal Frosted Cover for Recessed LED Linear Profiles, 1 - Year Warranty
- Opalescent frosted finish diffuses light for uniform, glare-reduced output
 - Compatible with LED linear fixtures rated for 50,000-hour LED lifetime
 - Constructed from high-quality materials for durable, long-term use
 - Designed for straightforward installation onto existing fixtures
 - Backed by a 1-year warranty

OVERVIEW

The Opal Frosted Cover is a diffuser accessory designed for recessed LED linear lighting profiles, suitable for commercial, office, and residential applications. Its opalescent finish softens and diffuses light output, producing a uniform, glare-reduced illumination effect that complements professional lighting installations.

Constructed from high-quality materials, the cover is built for durability and long-term use. It is designed for straightforward installation onto compatible existing light fixtures, minimizing maintenance complexity in retrofit or new-construction scenarios. The associated LED source is rated for 50,000 hours of operation, supporting extended service intervals.

The cover is backed by a 1-year warranty.
