

## Wall Mount Clip for LED Fixture Mounting, Recessed Lighting Profile Accessory

- Secures LED fixtures, cables, wires, tools or small shelves to walls
- Backed by a 1-year manufacturer warranty
- Compatible with LED components rated for 50,000 hours of operation
- Sleek profile designed to blend with existing wall infrastructure
- Reduces risk of displacement or damage to mounted items

### OVERVIEW

The wall mount clip is a mounting accessory designed to securely attach fixtures, cables, wires, tools, or similar items to wall surfaces. It is suited for commercial and industrial environments where organized, reliable mounting is required without compromising the appearance of the installation.

Its design is intended to blend with existing infrastructure while keeping mounted items firmly in place, reducing the risk of displacement or damage during use.

The clip is backed by a 1-year warranty and is rated for use with LED components rated to 50,000 hours of service life.

### SPECIFICATIONS
