

End Caps for LED Strip Channel, 5 Pairs per Bag, 1 - Year Warranty

- Sold in bags of 5 pairs for multi-run installations
- Two-piece cap design seals both ends of channel profiles
- Precision-fit construction for a clean, finished appearance
- Compatible with LED strip systems rated for 50,000-hour service life
- Backed by a 1-year warranty

OVERVIEW

End caps for LED strip channels, sold in sets of 5 pairs per bag. These two-piece caps seal and protect the open ends of compatible LED strip channel profiles, providing a clean, finished appearance and helping to prevent dust and debris ingress at channel terminations. Precision-fit construction supports consistent, professional installation across commercial and industrial applications. Intended for use with LED strip systems rated for a 50,000-hour service life, and backed by a 1-year warranty.
