

Wall Mount Clip for Recessed LED Panel Fixtures, Tool-Free Install, 1-Year Warranty

- Installs without permanent fasteners for tool-free mounting
- Removable without leaving surface damage on walls
- Suited for commercial, office, and retail display installations
- Backed by a 1-year manufacturer warranty
- Compatible with LED panel fixtures rated for 50,000-hour service life

OVERVIEW

The 5-LW2626A-Clip is a wall mount clip accessory designed for securing LED panel fixtures and related components to wall surfaces. It is suited for commercial, office, and retail installations where a clean, low-profile mounting solution is required. Constructed for durability, the clip installs without permanent fasteners, allowing removal without surface damage. This makes it a practical option for leased spaces or installations requiring periodic repositioning. The clip is backed by a 1-year warranty and is intended for use with LED fixtures rated for a 50,000-hour service life.
