

Recessed Mount LED Channel, 26mm x 26mm Profile, 8.2 ft Length

- Outer profile dimensions of 26mm x 26mm
- Overall length of 8.2 feet (98 inches)
- Inner channel width of 24mm for LED strip compatibility
- Rated for LED lifetime of 50,000 hours
- Backed by 1-year warranty

OVERVIEW

The 5-LW2626A is a recessed mount LED channel profile designed for clean, low-profile integration into ceilings, walls, or architectural surfaces. With outer dimensions of 26mm x 26mm and a length of 8.2 feet (98 inches), it is suited for both commercial and residential lighting installations where a discreet, finished appearance is required.

The profile features an inner channel width of 24mm, accommodating a range of compatible LED strip configurations. Constructed from high-quality materials, the extrusion is built for durability and long-term performance in standard interior environments, supporting LED sources rated for 50,000 hours of operation.

The product is backed by a 1-year warranty.
