

End Caps for LED Strip Channel,
Protective Closure Caps, 2 per Bag

- Sold as a set of 2 pieces per bag
- Provides a finished closure at LED strip channel ends
- Suited for commercial installations and general fabrication work
- Backed by a 1-year warranty

OVERVIEW

These end caps provide a clean, finished appearance at the termination points of LED strip channels. Sold in sets of two, they are suited for both commercial installations and general fabrication work where a polished, professional result is required.

Installation is straightforward, making them practical for contractors and integrators working across a range of applications requiring a durable channel closure.

Backed by a 1-year warranty.
