

End Caps for LED Strip Channel, 2-Piece Set

- Set includes 2 end caps for complete channel coverage
- Backed by a 1-year warranty
- Rated for use with LED strips having a 50,000-hour lifetime
- Designed to fit securely onto channel profile ends

OVERVIEW

This 2-piece end cap set is designed to provide a clean, finished appearance on LED strip light channels. The caps secure the open ends of the channel profile, protecting internal components and contributing to a professional installation result.
