

End Caps for Recessed LED Strip Channel, 2-Piece Set

- Sold as a 2-piece end cap set
- Finishes termination points on LED strip channels
- Built from high-quality materials for strength and longevity
- Backed by a 1-year warranty
- Rated to complement 50,000-hour LED strip lifetime

OVERVIEW

These end caps provide a clean, finished appearance at the termination points of recessed LED strip channels. Sold as a 2-piece set, they suit furniture, fixtures, and custom fabrication projects where a professional edge finish is required.

Constructed from high-quality materials, the end caps are built for strength and longevity, with installation straightforward enough for both professional contractors and experienced DIY applications.

The end caps carry a 1-year warranty, matching the 50,000-hour LED lifetime rating of compatible strip channel systems.
