

Spring Clip Mounting Accessory for Recessed LED Extrusion Channels, 1-Year Warranty

- Recesses LED extrusion channel for a flush, professional finish
- Spring clip design holds extrusion securely in place
- Supports LED extrusion rated for 50,000 hour LED lifetime
- Precision-crafted construction for stable, long-term installation
- Backed by 1-year warranty

OVERVIEW

The 5-LW5032A-H-SC-SC spring clip is a mounting accessory designed to recess LED extrusion channels, securing them in place while maintaining a clean, finished appearance. It is intended for use in applications where a flush, professional installation is required.

Constructed for precision fit and durability, the spring clip holds extrusion securely and contributes to a stable, long-term installation result rated for a 50,000 hour LED lifetime.

The accessory is backed by a 1-year warranty.
