OVERVIEW

The 5-LW6060-H-CV is an 8 ft LED wrap fixture with an opal frosted cover, suited for general commercial and industrial overhead lighting in warehouses, corridors, stairwells, and utility spaces. The fixture is rated for a 50,000-hour LED lifetime, supporting extended service in continuous-use environments. This unit is offered as a liquidation clearance item with limited availability and carries a 1-year warranty. Buyers should confirm stock and suitability for their application prior to purchase given its clearance status.
