- 10-foot length suited to continuous linear runs
- Opal frosted texture diffuses light evenly and reduces glare
- Compatible with existing fixtures and new installation projects
- Rated for LED lifetime of up to 50,000 hours
- Backed by a 1-year warranty

OVERVIEW

The Opal Frosted Cover is a 10-foot linear cover designed to enhance the appearance of lighting installations in commercial and residential environments. Its frosted texture diffuses light evenly across the surface, reducing glare and providing a clean, finished look. Suitable for offices, hotels, retail spaces, and hospitals, it functions both as a decorative element and as a protective barrier against dust and physical damage.

The cover is compatible with existing fixtures and can be integrated into new installations, supporting an LED lifetime rating of up to 50,000 hours. It is designed for straightforward installation without specialized tools or hardware.

The product is backed by a 1-year warranty.
