- Compatible replacement hinge for aluminum pole model 5-P342
- Backed by a 1-year manufacturer warranty
- Supports display assemblies rated for 50,000-hour LED lifetime
- Designed for foldable floor display pole hardware service and repair

OVERVIEW

This hinge is a replacement hardware component engineered for use with the aluminum pole assembly model 5-P342 found on foldable floor display systems. It serves contractors, exhibit technicians and maintenance personnel who need to restore or service the folding mechanism on compatible pole-based display units.

The component is backed by a 1-year warranty and is rated for compatibility with an LED lifetime of 50,000 hours within the display assembly, supporting long-term reliability of the overall unit.

This part is intended strictly as a service replacement for existing 5-P342 pole assemblies and is not sold as a standalone display product.
