

Hinge Pin for Aluminum Pole, Replacement Part for Model 5 - P342, 1 - Year Warranty

- Direct-fit replacement hinge pin for aluminum pole model 5 - P342
- Enables the pole assembly to lower for maintenance without full disassembly
- Backed by a 1 - year manufacturer warranty
- Rated component lifetime of 50,000 hours

OVERVIEW

The 5-P12 is a replacement hinge pin designed for use with the aluminum pole model 5 - P342. This component supports the hinged pole assembly, allowing the pole to be lowered for maintenance or fixture servicing without requiring full disassembly. It is intended as a direct-fit replacement part for existing 5 - P342 pole installations, restoring proper pivot function at the hinge point. The part is backed by a 1 - year warranty.
