

Slim LED Light Box Snap Frame with Cover, 1.5" Profile, 8 ft Length

- 1.5-inch profile depth for a slim, low-projection frame
- 8-foot overall length suited to long signage runs
- Snap frame cover design allows tool-free graphic changes
- LED components rated for 50,000-hour service life
- Backed by a 1-year warranty

OVERVIEW

The 5-S1.5-8 is a slim LED light box snap frame with cover, featuring a 1.5-inch profile depth and 8-foot length. It is intended for commercial and retail signage applications where illuminated graphic displays require a low-profile frame and tool-free graphic changes.

The frame's snap-open cover allows graphics to be inserted or swapped without additional hardware, and the LED components are rated for a 50,000-hour service life, supporting long-term signage use.

The product carries a 1-year warranty.
