

Slim Light Box Snap Frame with Cover, 2 in. x 6 ft., 1 - Year Warranty

- Slim snap frame profile measures 2 in. wide
- Overall length of 6 ft. for extended sign runs
- Includes cover for tool-accessible graphic changes
- Rated for 50,000 hour LED lifetime
- Backed by a 1-year warranty

OVERVIEW

The 5-S2-6 is a slim light box snap frame with cover, measuring 2 inches wide by 6 feet in length. It provides a low-profile framing solution for backlit or front-lit graphic displays where a clean, tool-accessible edge is required.

The frame is intended for commercial and retail signage installations and is backed by a 1-year warranty, with an LED lifetime rating of 50,000 hours where LED illumination is used.
