

Plastic Mounting Clip for 5-SL-270 15mm LED Strip Light, 1-Year Warranty

- Molded plastic construction for durable, low-profile mounting
- Sized specifically for 15mm strip width compatibility
- Designed for use with the 5-SL-270 LED strip light series
- Backed by a 1-year warranty
- Rated for use with strip systems carrying a 50,000-hour LED lifetime

OVERVIEW

The 5-SL-270-15mm-Clip is a plastic mounting clip designed specifically for use with the 5-SL-270 15mm LED strip light. It provides a secure, low-profile method for attaching the strip light to surfaces during installation, helping maintain consistent positioning and a clean finished appearance.

The clip is sized for 15mm strip width and is backed by a 1-year warranty, matching the 50,000-hour rated lifetime of the compatible 5-SL-270 strip light system.
