

End Cap with Hole for 5-SL-270 20mm LED Strip Channel

- Pre-formed hole allows wire or cable pass-through
- Sized specifically for 5-SL-270 20mm LED strip channel
- Rated for 50,000 hour LED lifetime compatibility
- Backed by 1-year warranty

OVERVIEW

The 5-SL-270-20mm-CapH is an end cap with a pre-formed hole, designed specifically for use with the 5-SL-270 20mm LED strip channel. It provides a finished termination point at the open end of the channel while allowing a wire or cable pass-through where the hole is present.

Used in conjunction with the 5-SL-270 channel system, this end cap completes the profile assembly and supports installations rated for 50,000 hours of LED lifetime.

Backed by a 1-year warranty.
