

Stainless Steel Angle Trim, Gold Finish,
3/4 in x 94.5 in

- Stainless steel construction for durable trim applications
- Gold finish for architectural accent detailing
- 3/4 inch width angle profile
- 94.5 inch length per piece
- Backed by a 1-year warranty

OVERVIEW

The 5-SSG2 is a stainless steel angle trim piece finished in gold, measuring 3/4 inch wide by 94.5 inches in length. It is intended for use as an architectural accent or edge trim in commercial signage, display, and interior finishing applications where a durable metallic profile is required.

The angle profile provides a defined edge line suited to trim and transition details, and is backed by a 1-year warranty.
