

## Aluminum Black Window LED Sign Strip Channel, 2.5cm W x 1cm H x 3.05m L

- Aluminum construction in black finish
- Profile measures 2.5cm W x 1cm H x 3.05m L
- Rated for 50,000 hour LED lifetime
- Backed by 1 year warranty
- Designed for integration with window LED sign systems

### OVERVIEW

The 5-W-10 is an aluminum channel strip in black finish, designed for use with window LED signs. Measuring 2.5cm wide by 1cm tall by 3.05m long, it provides a clean, low-profile mounting solution for sign displays in retail, commercial, and similar environments.

Constructed from aluminum, the strip offers a durable and contemporary appearance rated for a 50,000 hour LED lifetime. Its dimensions and profile are suited for integration with existing window signage systems, and installation is designed to be straightforward.

The product is backed by a 1 year warranty.
