

Plastic Corner Accessory for 5-WF96/25 Wraparound Fixture, 1-Year Warranty

- Molded from high-grade plastic for durability
- Installs directly onto 5-WF96/25 fixture without extra hardware
- Reinforces corners and edges to prevent physical damage
- Backed by a 1-year warranty
- Compatible with fixtures rated for 50,000-hour LED lifetime

OVERVIEW

The 5-WF96-25-CN-P is a plastic corner accessory designed for use with the 5-WF96/25 wraparound fixture. It provides structural support at the corners and edges of the fixture, helping to protect against physical damage and maintain alignment during installation and long-term use.

Constructed from high-grade plastic, this corner piece is built to resist wear and tear in demanding environments. It installs directly onto the fixture without additional hardware and is intended to extend the service life of the host luminaire by reinforcing vulnerable contact points.

The accessory is backed by a 1-year warranty and is rated for use with fixtures carrying a 50,000-hour LED lifetime.
