

Stainless Steel Spring Clip for 28mm Snap Frame Extrusions

- Made from premium-grade stainless steel for corrosion resistance
- Sized to fit 28mm snap frame extrusion systems
- Provides secure retention and stable support for mounted fixtures
- Rated for a 50,000-hour LED lifetime
- Backed by a 1-year warranty

OVERVIEW

The 5-WF96-28-Clip is a stainless steel spring clip designed for use with 28mm LED fixture mounting applications. It is intended to provide secure retention and stable support within compatible 28mm systems or equipment.

Constructed from premium-grade stainless steel, this clip offers corrosion resistance suited for demanding installation environments. Its design facilitates straightforward installation into 28mm-compatible fixtures and is rated for a 50,000-hour LED lifetime.

Backed by a 1-year warranty.
